

SPACING GUILD

AT START: **Starting spice:** 5 · 5 forces in Tuek's Sietch and 15 in reserves. Start with 5 spice and 1 Treachery Card.

REVIVAL: 1 force free; normal total limit 3.

ADVANTAGES

SHIPMENT INCOME*: Other factions pay you for shipments from their reserves onto Arrakis. Pay the Spice Bank for your own shipments.

THREE SHIPMENT TYPES*: For your one shipment, either ship reserves to one Arrakis territory, cross-ship a group between two Arrakis territories, or return a group from a territory to reserves. Apply storm and occupancy rules.

GUILD RATES*: For shipment to Arrakis or cross-shipment, pay half normal cost, rounding the total up. Returning forces to reserves costs 1 spice per 2 forces, rounded up; do not halve that rate again.

SPECIAL VICTORY*: If the game ends without a normal winner and the Fremen Special Victory Condition is not met, you and your ally win. Bene Gesserit cannot predict this special victory.

ADVANCED: CHOOSE YOUR MOMENT*: Take your whole shipment-and-movement turn first, last or between other factions. Announce when taking it. Other players keep normal order. Do not interrupt another player's turn.

ALLIANCE

Your ally may ship reserves to Arrakis or cross-ship at your half-price rates, paying you. It cannot ship forces back to reserves. Allied Fremen may use the reserve cross-shipment allowed by the November 2020 FAQ. Your ally shares your special victory.

FACTION SPECIAL KARAMA

DENY PASSAGE Advanced Game, once per game during Shipment and Movement: spend a Karama to stop one other player's off-planet shipment.

KARAMA EFFECTS

SHIPMENT INCOME: Redirect one shipment payment to the Bank.

THREE SHIPMENT TYPES: Prevent one cross-shipment or return to reserves.

GUILD RATES: Remove your half-price rate for one shipment.

SPECIAL VICTORY: Cannot prevent the special victory.

ADVANCED: CHOOSE YOUR MOMENT: Take shipment and movement in normal storm order this turn; do not retry the out-of-order advantage later.
